

Australian Government

Ansto

Nuclear-based science benefiting all Australians

You are invited to pre register for a FREE national symposium

Advances in radiopharmaceutical science and imaging

Hear national and international speakers:

- ✚ Present new research and clinical material on cancer and neurodegeneration
- ✚ Discuss advances in imaging modalities

Learn about the latest research undertaken by ANSTO's Radiopharmaceuticals Research Institute, including some of its projects with CRCBID and its post-graduate student program.

Guest speakers include:

- ✚ Prof Heinz Coenen from Julich, Germany
- ✚ Prof Gilles Tamagnan from the Institute of Neurodegenerative Disorders, USA
- ✚ Plus others to be confirmed.

Meet your colleagues and share in new developments, new opportunities and platforms for research.

Where: The Garvan Institute of Medical Research, 384 Victoria Street Darlinghurst Sydney, NSW, 2010 Australia

When: Monday 22 March to Tuesday 23 March 2010 (8.15am to 5pm)

Hosted by: The Australian Nuclear Science and Technology Organisation and the Garvan Institute of Medical Research with the support of the CRC for Biomedical Imaging Development (CRCBID).

For catering and bookings purposes, please PRE REGISTER by emailing:
Narelle.richardson@ansto.gov.au. We will then contact you with a full program.
